CHESS Report written by Elena Y4

On Tuesday 13th June Elena Y4, Sam Y6, Oliver Y4 and Harry H Y6 went to Great Walstead School to play chess in the final of the Primary Cup.

We had qualified in Division 2 (of 4) so there were some high quality games. In round one we played Cottesmore School. We played well and it was extremely close. It finished 2-all! But we won the round on the tie-break rule. That meant we had qualified for the final and were playing for first place.

Key policies are available via the school website or on request from the school.

Love – Learn – Grow - Worship

The final was against Lancing College Prep School. With slow play we won two games and two were still going on. We just needed one win! We lost a game but then we won the other. It was 3-1 to us! This meant we won our division. We would like to say a big thank you to Mr Currah for driving and to Great Walstead for hosting the event and providing refreshments.

ROUNDERS TOURNAMENT @ Rose Hill Report written by Madeleine G Y5 and Jemima Y6

On Saturday 10th June, Sacred Heart played a Rounders Tournament at Rose Hill School. Our first match was against Rose Hill A Team. We had great fielding by Amelia and Phoebe and also some excellent batting by Eireánn and Sophia! The end score was 10-4½ to them. Our second match was against St Ronans. We fielded first. We had some amazing passes by Hannah, Martha and Maddie T and Sophia was great at bowling. When we batted Amelia scored a rounder and Sophia ½. The final scored was 11-2.

Well done to Jemima who was Player of the Match.

Next we played Rose Hill B Team. We had some great catching by Phoebe who was on 4th post. When we batted we had one person left in the game so well done to Maddie G. The score was 5 all.

Our last round was against Marlborough House. We had some great batting by Hannah in this round then we had an amazing stump by Amelia who managed to get someone out at 2nd. The end score was 8-4½ to them. We would like to thank Mrs Overy for coaching us, the rest of the team for supporting and Rose Hill for providing ice-cream.

CRICKET @ Buxted Report written by Felix Y6

On Monday 12th June, Y6 boys played in a cricket tournament in Buxted. In our first game, we played St Johns. They were a good team and they beat us by 8 runs. The final score was 229 to them and 221 to us. In our next game, we played much better against Laughton. The final score was 211 to them and 276 to us. In our third game, we played Rocks Park. It was a good game and the final score was 183 to them and 323 to us. Our fourth and final game, was against Mayfield. They were a very good team but because we worked really well together, we managed to win. The final score was 220 to them and 232 to us.

After our last game we found out that we had won our group by 10 runs in total and we got through to the County Finals in July!

The whole team would like to thank Mrs HT for her brilliant coaching and the parents for driving us and supporting us.

CRICKET v WADHURST PRIMARY Report written by Hannah and Eireánn

On Wednesday 14th June Sacred Heart played a Cricket match against Wadhurst Primary: it was a spectacular match. We were batting first, and had a great start with some great hits by Jemima and Hannah, who managed to score 15 in total. The next batters were Amelia and Sophia who batted really well scoring a few more runs. Unfortunately Wadhurst were good fielders and they stopped us from getting more runs.

After Amelia and Sophia it was Eireánn and Martha who did extremely well. They scored some fours which pushed up their score. Wadhurst were just too good and stopped us from getting the last few runs. The final batters were the Maddies who gave us a great finish, scoring a couple of fours which was great! Both Maddies did some amazing hits but Wadhurst got the ball back quickly which was unfortunate for us.

Next we were fielding. Wadhurst were good batters and before long they had scored lots of fours, but we didn't give up. Hannah and Sophia made some amazing catches and throws. Amelia made some good catches. Wadhurst batters changed again. They were very strong and hit the ball well. We upped our game and managed to stop a lot of runs. There were some good throws by Maddie G. Unfortunately Wadhurst managed to score some sixes which improved their score. We tried as hard as we could and stopped a lot of balls, preventing them from scoring a lot of runs. We all played extremely well but the final score was 286 to them 234 to them

We would like to thank Mrs Overy for coaching us, the parents for supporting and the parents who provided match tea.

CRICKET v BRICKLEHURST

A TEAM Report written by Edward W Y6

On Wednesday 14th June Sacred Heart A Team played Bricklehurst A team in a cricket match. We lost the toss and had to bat, everyone did really well with plenty of fours and a few sixes. I think that it's fair to say it was hard to even hit the ball because the bounce was very inconsistent. Then we were fielding, everyone bowled really well with Sacred Heart taking lots of wickets, but crucially stopping boundaries. With two overs to go Bricklehurst had 158 runs and when Sacred had two overs left we were on 152 runs! This was when Sacred Heart really began to shine with two more wickets to our name Thanks to amazing catches and a hard push while we were batting we ended up 167 runs to Bricklehurst's 156.

B TEAM Report written by Sam Y6

On Wednesday 14th June, Sacred Heart B Team played a game of cricket against Bricklehurst. In the first half, Bricklehurst batted. There were some good hits, but the team's bowling and fielding was great, stumping, catching and bowling people out. We each started on 200 runs and by the end Bricklehurst scored 273 runs. In the second half we batted. Our team put in lots of effort, getting as many runs as possible, but unfortunately we only scored 54 runs, making the end score 273 runs to 254.

We would like to thank Mrs H-T and Mrs Overy for coaching us, the parents for driving and supporting us, and Bricklehurst for hosting the game and providing a lovely match tea.

ROUNDERS v ST RONANS

On Thursday 15th June Sacred Heart U9s team played a rounders match against St Ronans. We started off by fielding. Alana bowled well and Avaani caught out one of the St Ronans team. When it was our turn to bat everyone tried hard. St Ronans went into the lead 5½ to 4 and St Ronans managed to get six of us out.

We then fielded again with some good passing of the ball by the backstop, Ava, and more good bowling by Alana. Eliza, Sophie and Monty fielded well and Georgia, Amelia, Elena, Mia and Avaani played their parts well on the posts.

We all played better in the second half with some very good batting and running whole rounders were scored by Georgia, Elena, Sophie and Mia. The final score was 10-9½ to St Ronans.

We would like to thank Mrs Overy for coaching us, the parents for driving us and St Ronans for a lovely match tea. Also well done to Sophie for being Player of the Match.

WHOLE SCHOOL PHOTO

Arrangements have been made this year for a Whole School Photograph on Monday 19th June so we are hoping for 100% attendance on that date and, as it's a Monday morning, uniform and children clean and shiny!

SUNHATS & SUNCREAM

In the warm weather it is essential that your child applies suncream before coming to school and brings further supplies if they have an outdoor after school club. **School uniform sun hats are also obligatory at this time of year particularly for PE lessons and lunchtime play when the sun is at its hottest.** We want the children to enjoy the benefits of the sunshine without the pain! Far too many children do not have sun hat in school.

BLOOD DONATION

There will be an opportunity to give blood on:

- Wednesday 28th June and
- Wednesday 5th July

All Saints Parish Church, Lower Hall, Church Road Crowborough 13.30–16.00 and 17.00–19.30.

Another busy and exciting week at Sacred Heart School where learning is fun!

OUTDOOR LEARNING ENVIRONMENT

Could you tell the difference between mint and lemon balm?
Can you find an annelid?
Could you cook something in a Solar Oven?

Year 4 have enjoyed Outdoor Learning focus this term. We have made a Solar Oven and baked biscuits in it as well as enjoying learning from the environment and climate. We are lucky to have such a wonderful outdoor learning environment in our school.

Year 4 have also taken great pride in caring for the Hanging Gardens of Year 4. We are growing geraniums, strawberries, peppers and a variety of herbs like mint. Our monitors take it in turn to water and care for the plants.

YEAR 1

What a busy and exciting week **Year 1** have had! On Thursday afternoon we walked all the way into Wadhurst to talk about the features of a village and to visit the Library. Once there, we first listened to a lovely story about a little dog. After that we browsed for an interesting book to read and to share. Some children borrowed a book with their library card. We heard all about the Summer Reading Challenge which happens to start exactly on the first day of the Summer Holidays. The walk back took us a little longer than the walk there but we thoroughly enjoyed the warm summery afternoon. On Friday morning, before enjoying the challenges of Sports Day, we presented our Class Assembly about Miracles to the whole school and our families. We feel we have most certainly deserved a good rest this weekend.
