SWIMMING

We have been asked to remind parents and children to walk on the pavement up the hill to the swimming pool at Mayfield and not on the grass. We would also like to remind Year 6 they should come to swimming for the next two lessons with their pyjamas as they are doing Life Skills.

WEDNESDAY WORD

This term you should see something new in the book bags, usually on Wednesdays! All children will be given a copy of Wednesday Word which is designed to link Home, School and Parish and help families share the Gospel at home and support children in their experience of liturgy at school and at church, if they attend. I hope you will find time to look at the sheet with your child and read the Gospel together. The sheet prepares the child for readings for the following Sunday; we share and explore the Gospel again in our Monday morning assemblies.

PUPPETEERS

On Wednesday the whole school enjoyed a memorable performance of 'Peter and the Wolf' presented by the Puppeteers Company. The puppets were amazing and the children had the opportunity to ask some interesting and intelligent questions afterwards. This 'treat' replaced the pantomime and theatre trips we have tried in previous years around December and January, but sadly we will not be able to repeat it as the Company closes at the end of March. If you hear the strains of Prokofiev's music as you walk around the school, you now know why

Another busy and exciting week at Sacred Heart School where learning is fun!
