## HARVEST ASSEMBLY

Thank you to all who contributed to our wonderful celebration of Harvest on Wednesday. All of your offerings have gone to help the needy in Tunbridge Wells and also those further afield through the work of CAFOD. Thank you for your generosity and compliments to the children who prepared and performed so well. Mateo from Yr 2 went to St. Augustines Church yesterday to deliver our Harvest Festival tins. He was amazed to see so much food for poor families.

## NETBALL

*Mrs Grocock reports:*

- The Yr 5 and 6 girls played in a tournament at Beechwood on Wednesday against some very tall opposition! Their first game against Kent College 'A' team saw them being out paced and dominated for the twelve minutes. The huge height advantage led to 13 goals against us! However, we kept our heads held high for our game against Beechwood and won 3-0! Rebecca scored 2 and Isabelle 1.  
We were runners up in our group and played Skippers Hill for the third/fourth place play off. Unfortunately they beat us 4-0 despite an excellent battle by our girls. They were exhausted after an enjoyable afternoon and behaved impeccably, as usual, at the tea afterwards. Well played everybody and thanks to all the parents who transported and supported the girls.
- The Yr 3 and 4 girls enjoyed a great afternoon of netball at Claremont's mini tournament on Thursday. They played a mixture of U8/U9 teams, winning their first two 1-0 and 3-1 and drawing 0-0 in the last three games. The 0-0 scores do not reflect the dominance we had in our attacking 'D' as Amelia and Martha had lots of close shots at goal! Well played everyone!  
Thank you to all the parents who drove and supported the team.

*Amelia Disbray (Captain) reports:*

On Thursday the 20<sup>th</sup> October the Yr 3 and 4 girls played a netball match at Claremont in Hastings. We played Bricklehurst as well. It was a close match. We played 5 matches, some children were under 8s some were under 9. There were some close shots by Bricklehurst and also Claremont. 4 goals were scored by Amelia. There were 4 excellent players in our team. Ella in Yr 3 went into loads of spaces unmarked! There was brilliant play from all the players. We would like to say thank you to all the Mums who drove us there and a big thank you to Mrs Grocock for coaching us.

*Chiara Vidal and Ellie Knight report:*

On Wednesday 19<sup>th</sup> October the Yr 5 and 6 girls went to a Beechwood tournament. We only had 6 teams go to the tournament but at first we played Kent College, that was a very exciting match but unfortunately we got thrashed 13-0 but we all agreed they were very good. The next match we played was Beechwood, the B team and fortunately we won that match 3-0. After that we all sat down and we heard that we made it to the semi-final and we played Hilden Grange but lost 9-0. Unfortunately we didn't get to the final but we had one last match against Skippers Hill to see who came 4<sup>th</sup> or 3<sup>rd</sup>. Unfortunately after a very well fought match we lost 6-0 and came 4<sup>th</sup>. We all played exceptionally well. We had good goals from Becky and Isabelle; Chiara and Phoebe did some lovely interceptions; Sophia and Olivia found spaces so we could easily pass to them and Ellie, Eloise and Caroline did some fast passes. Afterwards we had a delicious tea and we thank all parents for transport and a big big thank you to Mrs Grocock for coaching and organising the match for us.

## UNIFORM REMINDERS

Pupils will return after half term in their winter uniforms. Please note previous reminders and adhere to our strict uniform policy. You will be asked to purchase the correct item if your child returns in a garment that does not comply with our requirements. Please note also the guidance regarding hairstyles which should be neat and tidy for both boys and girls.

***Another busy and exciting week at Sacred Heart School where learning is fun!***

### The Sea

The sea crashing on you and me.  
Slippery seaweed.  
Sunken ships on the sea bottom.  
Huge waves!  
Eels crawling in and out of  
shipwrecks.  
Little ripples in the sea.  
White foam gradually dissolving  
on the sand.

**Charlie Malkin Yr3**
