Another busy and exciting week at Sacred Heart School where learning is fun!

Congratulations to our School Council for their work in organising the making and selling of Smartie Cookies. This was for the benefit of Children in Need and raised a total of **£85**

In Year 3 we have been making our very own mummified cats! The Ancient Egyptians are known to have mummified their cats as they were seen to be sacred creatures. Our cats started out as an empty plastic bottle and a polystyrene ball. Once we had attached the ball to the bottle with masking tape we then covered the model in Modroc-plaster bandages. Once they had dried it was time to paint! Some of the cats have had extra details painted on and some are still works in progress! I'm sure you'll agree that they are all going to look PURR-fect!!

In Science in Year 2 we have been working scientifically to try to solve a problem for Mrs Gabriel. Her sister is coming to stay with her and bringing her naughty puppy, Nora. The naughty puppy, likes to wee on the floor so we needed to find out which type of paper would be best for mopping up the naughty puppy's wee! We tested different papers to see how absorbent each one was and discovered that kitchen roll was much more absorbent than newspaper or blue paper towels (which were our predictions before we carried out the investigation).

In English we have been learning the story of Little Red Riding Hood as part of a Talk for Write scheme. We enjoyed performing our version of the story with actions, to the school and to the parents of Year 2. We then ALL wrote a fantastic version of the story with rich vocabulary and exciting story language.

Once upon a time there was a little girl who was called Little Red Riding Hood because she always wore a cloak of crimson red. Early one morning her mother said, "Take these cakes to granny's but whatever you do, don't dilly dally on the way." So LRRH walked and walked until she came right to the middle of the forest. Tired from all that walking, she rested by an old oak tree. Whistling happily along came a woodcutter who asked her, "Where are you going?" LRRH explained. Unfortunately, there was a wolf listening to every word. He licked his lips, put his paws to the ground and raced to granny's cottage...

When LRRH arrived, she saw granny looking rather strange. "Why granny, what big ears you have!" "All the better to hear you with my dear," the wolf replied, licking his lips. "Why granny, what big eyes you have!" "All the better to see you with my dear," the wolf replied, creeping out of bed. "Why granny what big teeth you have!" "All the better to EAT you with!" the wolf replied opening his mighty jaws. LRRH screamed! Luckily the woodcutter heard the screams and killed the wolf with not one, not two, but three blows of his mighty axe.

In the end, LRRH, granny and the woodcutter enjoyed the delicious cakes and LRRH never dilly dallied again! The end.
