### WELCOME

You have probably noticed a new member of staff in the office; we would like to welcome Jill Wingfield who is joining us on Monday, Wednesday and Friday mornings to assist in the office.

### MIXED HOCKEY TOURNAMENT @ Uplands

#### Blue Team - Report by Christopher Clinton

On Tuesday 10<sup>th</sup> January Sacred Heart School Hockey Blue team played a tournament at Uplands. Our first opponents were Ticehurst. We played with confidence, but let a goal in. We responded well by scoring the equaliser making the score 1-1. Our second match was against Frant. We scored 3 goals and won 3-0. Then we played Mark Cross; there was some great passing and we won 2-0. Our next game was against Stonegate. They were tougher but we scored early and defended well to win 1-0. We then played Brickelhurst. It was a tight game with good defending from both teams, and we drew 0-0. Then we played Wadhurst, it was another tight game, but with 2 disallowed goals we were unlucky to draw 0-0.

We qualified for the final! Displaying good team spirit, with great passing we broke through Stonegate's defence to score 3 times to secure a win from both the match and the tournament.

#### Red Team – Report by Edward Ward

In our first match we played Ticehurst A. We all played well and won 2-0. Next we played Frant and again everyone played well with good defending at the back by Hannah and good attacking by Felix and Amelia.

Next we played Mark Cross A in a tit for tat battle ending 0-0. Then we played Stonegate and in a one-sided game won 4-0. Our next match was against Bricklehurst with them scoring 2 quick goals but we managed to equalise making it 2-2. Finally we played Wadhurst drawing 1-1. We were through to the final and won in a thrilling 1-0 match against Mark Cross.

Our thanks to Mrs Overy for coaching us and to the parents for transport.

*An amazing result we look forward to the next stage of the competition!*

### **TAG RUGBY v Skippers Hill**

#### **A Team - Report by Edward Ward**

On Wednesday 11<sup>th</sup> January Sacred Heart School Red Team played Skippers Hill Manor in Tag Rugby. In the first quarter we drew with an extremely close match. In the second quarter once again one team would score then the other. In the third quarter the fatigue started to set in; we were incredibly determined with great defence by everyone and great passing but still drew. In the fourth and final quarter we were really determined and managed to win the match. Felix was named man of the match by Skippers Hill.

#### **B Team – Report by James Mulholland, Ned Elliott and Harry Heasman**

On Wednesday 11th January, Sacred Heart B Team played Tag Rugby against Skippers Hill B Team.

In the first quarter we started off well with an amazing try from James and great teamwork from the whole team. There were some other great tries scored by Rafferty, Jack and Ned. At the end of the first quarter the score was 6/4 to Sacred Heart.

In the third quarter, the whole team played their best, with some amazing tries from James, Sam and Hugh. Unfortunately, Skippers Hill scored some tries. The score at the end of the match was 7/5.

By the last quarter of the match we were playing really well by putting pressure on Skippers Hill which led to some more fantastic tries scored by James, Rafferty, Sam and Hughie as well as some great tagging by William and Ned. Overall the score was 13 all. Everybody played really well and worked as a team.

*Congratulations! We took 20 boys out, they played their best and were a great credit to the school and to their coach, Mrs HT. A fantastic result – well done everyone!*

### **WATER**

Please ensure your child brings in a bottle of fresh water every day – thank you.

### **MORNING BREAK – SNACKS**

Following the trial last term lunchtime has reverted to 12.30pm. As we have 2 sittings, the Foundation Stage and KS1 pupils eat at 12.30pm and KS2 have lunch at 12.55pm. Given that some children must be having breakfast before 8.00am it seems logical that all children would benefit from a healthy snack for morning break in order to re-fuel. Could I remind parents therefore to ensure that children do bring a snack to school. (We don't allow chocolate bars or sweets.) Nursery children are provided for. Please remind your children not to share snacks. Thank you for your understanding and support.

### **HOT LUNCHES MENU**

MON	TUES	WEDS	THURS	FRI
Chargrilled Bacon Chop with Jacket Wedges	Chicken & Bacon Carbonara	Malaysian Beef Curry with Brown Rice	Roast Chicken with Roasted New Potatoes, Stuffing Ball & Gravy	Beef Meatballs in Tomato Sauce with Cavatappi Pasta

**Another busy and exciting week at Sacred Heart School  
where learning is fun!**

## Year 4

Pray for all those in the world who are not free and are suffering and bring peace to our world.

When we think of Jesus and use our faith to help other people the work begins. We can think of others and try to make them happy. We give to those who don't have enough food and live in poverty.

The work of Christmas begins.....

When the song of the angels is stilled,  
When the star in the sky is gone,  
When the Kings and Princes are home,  
When the shepherds are back with the flocks,  
THEN the work of Christmas begins:

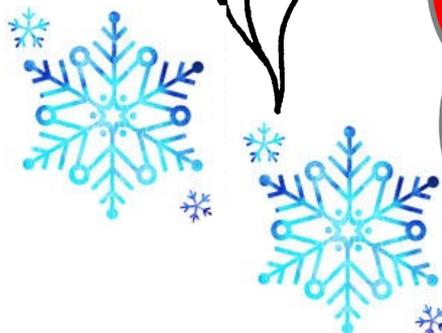

Please pray for all those who are not free or are suffering, to build joy and love in the world around us.

To find the lost,  
To heal those broken in spirit,  
To feed the hungry,  
To release the oppressed,  
To rebuild the nations,  
To bring peace among all peoples,  
To make a little music with the heart.....

Some people are out there who are living in poverty and who are less fortunate than us, so let us try and help them.

AND TO RADIATE THE LIGHT OF CHRIST,  
Every day, in every way, in all that we do and in all that we say.  
THEN the work of Christmas begins.

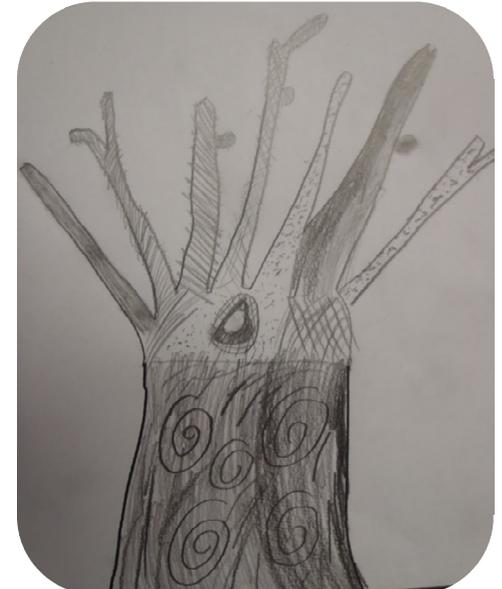

We help other people by raising money for the poor and pray for people who aren't as lucky as us. We should try to bring joy to the sad and we could make a little music in our hearts to spread laughter, happiness and joy around the world.

We can look out for others and try to make them happy. Pray for those who don't have peace and give to people who aren't as wealthy as we are. When we think of Jesus and help other people by using our gift of faith. If someone is lonely we can play with them.

# Year 1

Year 1 have been learning about Picasso and, after drawing their self-portraits with colouring pencils, used ModRoc to create a Picasso style 3-D portrait in relief. They practised different sketching techniques such as hatching, cross-hatching, blending and stippling. During the Science lessons they went outside to observe the trees and, back inside, used the newly learned techniques to sketch a winter tree.
