REMEMBRANCE DAY PARADE – Sunday 11th November 2018

We hope to have your support for the Wadhurst Parade on Sunday 11th November. Do let us know if you will be in attendance. Children should wear school uniform and assemble at Gloucester Road 9.40am where you will be met by Mrs Blake and Mrs Leftwich. The parade will start at 9.45am. We will be carrying the school banner and laying a wreath at the War Memorial at 10.15am and it would be wonderful to have a good show of support from the school in this centenary year marking the end of WW1.

As Christmas is fast approaching, no doubt a lot of us are starting to shop online. This is

a great opportunity to remind everyone about our ongoing fundraising scheme, "Easy Fundraising". You can help raise valuable funds for our school, simply by shopping online with all your favourite retailers: there are hundreds to choose from including Amazon, Argos, eBay, John Lewis, Tesco, Waitrose, Next, M&S or even booking a holiday with Thomas Cook!

All you need to do is register either online at www.easyfundraising.org.uk or download the app. It's all free and very simple to use. Just search for and select Sacred Heart School as your chosen charity. After that you just access your favourite online retailers through the 'Easy Fundraising' website or app and the donations are automatically sent directly to the school from the retailers when you make your purchases.

If we all shop through this app whilst we are online this Christmas (and all throughout the year) we could raise a lot of money for our school. Even more so if we encourage our friends and family to do the same! Happy Shopping!

Another busy and exciting week at Sacred Heart School where learning is fun!

Reception Class has been busy learning about fireworks safety and Diwali. We made fireworks with junk modelling materials and we made fireworks paintings by blowing paint with straws. We have made special diva pots with clay to celebrate Diwali.

Year 2

As part of our Science topic, 'Healthy Me!', we carried out an investigation to discover the best way to get rid of germs from our hands. Lots of green glitter and oil was used to represent the 'germs'! Hot water and lots of soap was the **ONLY** way to remove every single germ!

We also discovered that a "sneeze" (green slime water) could travel up to 110 cm! **YUCK!**

We have also been learning about Remembrance Day and the 100-year anniversary of the end of WW1. In Art we painted white crosses, like the unmarked graves, covered in poppies.

Year 5 have been learning all about biographies and autobiographies. They examined some biographical work about Michael Morpurgo and Roald Dahl and compared it to autobiographical accounts from the authors themselves, identifying similarities and differences.

They particularly enjoyed the autobiographical accounts of Roald Dahl's life in his book, "Boy". In one session each of the different literacy groups was given a

scene from the book and asked to improvise the scene, acting it out for the rest of the class. One group covered the gruesome discovery by the nasty Mrs Pratchett of a dead mouse in one of her sweet jars. Another group

acted out the scene when Roald Dahl, who was feeling very homesick at boarding school, pretended to have appendicitis. The final group acted out how Roald Dahl's nose was cut off in a car accident and then sewn back on!

The children were allowed to use props from around the classroom and as you can see from the photographs they were very inventive and we all had great fun!

Thank you for making this a record breaking year for contributions to the Rotary Club Shoebox Appeal. Together you have filled over 40 boxes!
